Acting Director Ronald D. Vitiello  
U.S. Immigration and Customs Enforcement  
c/o Freedom of Information Act Office  
500 12th Street, S.W., Stop 5009  
Washington, D.C. 20536-5009

Dear Acting Director Vitiello:

I am writing to follow up on a Freedom of Information Act (FOIA) request for records pursuant to the U.S. Immigration and Customs Enforcement's actions that resulted in the arrest of 83 individuals in Wisconsin in September 2018. The FOIA request was initiated because the agency was unwilling to provide information and answers to simple questions about these enforcement activities. Since the initial request submitted on October 12, 2018 – over two months ago – we have received two letters from the agency delaying the process without sufficient explanation.

The inability to provide this straightforward information or comply with the FOIA request in a timely manner underscores a very troubling lack of accountability that seems to be pervasive within the agency. Further delays on this request will not be granted, and I urge you to move expeditiously to provide the requested information. Thank you for your prompt attention to this matter.

Sincerely,
